Chemnitz, January 2007

Dear friends of debating,

Reviving an idea that has been successfully put into practice in Saxony already twice, we'd like to cordially invite you to our

Easter Debate Camp,

in the course of which we'd like to debate, have workshops and lots of fun together. The aim is to improve debating skills, get to know each other and do all the things we have no time for during schooldays.

This camp is open to all interested students (be they beginners, experienced debaters or just curious about what debating is) and their coaches/teachers.

The camp will be **from April 11th to April 14th 2007**. Participation fees including stay at a youth hostel, catering and workshops in the mornings are **80, 00 € per person**. You are kindly requested to transfer the money by March 1st 2007 (account data will be sent to you as soon as you have registered).

We have booked accommodation and food for up to 70 people and will have to sign the contract with the youth hostel on January 30th 2007. This means for you to please register sending back a list with the names and age of students and teachers who want to participate in the camp by **January 28th 2007** latest (please use the registration form at the bottom).

The hostel is in the newly renovated Castle of Colditz, which is known for having been used as a prison for American prisoners of war during World War II.

We'd appreciate any suggestions on the program as well as volunteers for workshops.

Hope to hear from you soon.

Yours debatingly

Petra Allert-Löwe
